

FLOOD DEFENDER  
**Composite Doors**

KM713574

# WHY CHOOSE THE FLOOD DEFENDER COMPOSITE DOOR?

The advantage of the Composite Door range is its flexibility. Whilst every door has been designed to provide superior flood protection, customers can personalise their finished look by combining door style, glass choice, side panels, door furniture and colour to suit their individual property.

All of our glass panels are triple glazed. External facing glass is clear. Internal facing glass is available in a clear, satinized, Minster or Stippolyte finish. Satinized glass designs are only available with a clear internal facing glass finish.

- Kitemark certified to PAS 1188-1:2014
- Double rebate, high strength structure
- Superior quality seals
- A energy efficiency rating
- Triple glazing in a range of glass options
- A choice of 10 attractive woodgrain colour finishes
